

2nd Grade: Mrs. Watkins and Mrs. Thomas

October 22, 2021

*Report cards are coming home today! We are looking forward to seeing you at our **Parent-Teacher Conferences** on Thursday, October 28. :) Remember that Thursday the 28th is a half-day, and there is NO SCHOOL Friday or Monday.

***THANK YOU for your generosity in donating to the golf tournament fundraiser! We think 2nd grade has a wonderful chance at winning the movie/popcorn party!!**

***Water bottle hack** - Send an old water bottle with your child to keep in his/her cubby or backpack in case they leave their regular one at home. :)

Religion

We will take a break from our Bible stories to spend some time talking about the Reformation.

Reading/Language

We will be working outside of our reading books next week as we read and discuss all things Pumpkin!

Science

We will incorporate some pumpkin science as well for our science fun next week!

Spelling

There will be no spelling list this week due to the short week. :)

Math

We had fun doing a special apple graph this week! Next week we will be working on sums of 11 and taking an assessment.

Spanish

Did you know we are learning the calendar in Spanish, too? Practice counting up to 31 and go through the days of the week and months in espanol! :)

Social Studies

We are discussing factories and how materials are used in production. We will also discuss human resources.

Teacher Tip!

Second grade can be a big year of growth and development. One area is speech. The American Speech-Language-Hearing Association states that by 8 years old all speech articulation sounds should be mastered. Take an objective listen to your child and see if there are any sounds that could be honed. :)

Memory Work

The Sixth Commandment: You shall not commit adultery.
