

2nd Grade: Mrs. Watkins and Mrs. Thomas

February 25, 2022

*We were so happy to be back together after our *extra* long weekend! **Happy Friday!**

***PTO Color Fun Run** ~ Join us Saturday, April 9th 9-11am for a one mile color fun run at Messiah. Registration will be open soon. Event includes race, bubble bus and snacks.

*Will we see you at the **Messiah Auction** this weekend? We are ready to boogie the night away! It's for the kids! :)

Religion

We will review the parable of the lost coin and move into the story of the lost sheep. These parables are great reminders of Jesus' love for us.

Reading/Language

Our stories next week are about fun and travel. This should get us excited and ready for Spring Break in a few weeks! We will focus on homophones, base words + er and est, and more adjectives! Our cursive is really coming along! Keep working on it at home whenever possible!

Science

We will continue our discussion about mapping land and water, and the different types of maps that can be used. Those snow days put us a lesson or two behind! :)

Memory Work

1 Corinthians 15:22

As in Adam all die, so in Christ all will be made alive.

Spelling

**meet, meat, week, weak, mane, main,
tail, tale, be, bee, too, two**

Math

We will work with rounding to the nearest ten, subtracting 7, and finding half of even/odd sets. Keep working on those subtraction facts at home (on flashcards and apps)!

Social Studies

We are continuing our Diversity Unit this week with George Washington Carver and Louis Armstrong. We will review in class on Tuesday and take our test on Thursday. The test will be multiple choice and students should review with the Diversity Unit notes in their five subject notebooks.

Teacher Tip!

Do you attend church as a family? What a wonderful way to strengthen family bonds and build faith together! Treat church like a special event: prepare, get there early, stay til the end, and talk about it after! Compare your favorite parts of the service and one thing you each learned from the sermon. :)
