

2nd Grade: Mrs. Watkins and Mrs. Thomas

March 11, 2022

***Today marks the end of the 3rd quarter!** It also marks the start of **SPRING BREAK!** We pray that you have a relaxing week and enjoy the extra family time. We will see you back on Monday, March 21st!

***We are so pleased with the growth and learning that has been happening this year.** When we return from break, let's finish strong! We have several fun 2nd grade traditions ahead of us, and we are looking forward to sharing them with this group! :)

***Over break, please ask your child if they are in need of any school supplies** to carry them through the end of the year (specifically dry erase markers or glue sticks :)).

Religion

We are studying the interesting story of Zaccheus then we will move into preparing for Lent and the important times leading up to Jesus' death and resurrection.

Reading/Language

Next week our reading time will focus on traditional tales with morals. We will learn that it pays to help others, and this is what God wants us to do anyway, with no expectation of a return. We will focus on the prefixes re-, un-, over-, pre-, and mis-. In language we will work with irregular actions verbs such as run, come, see, and go.

Science

When we return we will begin a new unit about the Earth's Processes. We will learn how the Earth's surface changes both quickly and slowly.

Memory Work

Create in me a pure heart, O God, and renew a steadfast spirit within me.

Psalm 51:10

Spelling

unhappy, retell, untangle, unkind, repaint, refill, unlike, remake, unpack, reread, unlock, replay

Math

We are "wrapping up" our subtraction and wrap-ups with -9, taking another assessment and continuing to work on double digit subtraction with borrowing. Students still need reminders on how/when to borrow.

Spanish

We will play Loteria on Monday and take our test on Tuesday!

Social Studies

After break our next unit will take us to "Our Country Long Ago!"

Teacher Tip!

Does your family have special traditions passed down from generation to generation? As we reflect on our reading stories this week, take time to thank God for all those He has put in your life who enrich and bless you. We live in a fast-paced world; what a blessing it is to look back with gratefulness at the people and things which have helped develop our faith!
