

2nd Grade: Mrs. Watkins and Mrs. Thomas

March 25, 2022

*We hope you had a relaxing Spring Break and are as glad to be back together as we are! **Report cards are coming home today.**

***We are in the home stretch!** Let's finish strong! We have several fun 2nd grade traditions ahead of us, and we are looking forward to sharing them with this group! :)

***Save the Date! Colonial Day in 2nd grade will be Friday morning, May 6th.** We are hopeful for some outdoor activities (and parent volunteers) by May. More details to come!

Religion

We will talk about the stories of Jesus washing the feet of his disciples and how He serves others still today! We will move into the story of Jesus praying in Gethsemane.

Reading/Language

This week our reading time focused on traditional tales with morals. We learned that it pays to help others, and this is what God wants us to do anyway, with no expectation of a return. Next week we will read stories about plant life cycles. (Just in time for Spring!) We will focus on the /aw/ sound and discuss using graphic features to help us better understand story concepts. In language we will work with more irregular verbs.

Science

We will continue our discussion of fast land changes by learning about earthquakes!

Memory Work

For God so loved the world that He gave His one and only Son, that whoever believes in Him shall not perish but have eternal life. John 3:16

Spelling

tall, saw, dog, draw, call, fall, soft,
paw, ball, yawn, log, small

Math

We are starting the week with an assessment then moving onto time to the minute, counting all money amounts and identifying parallel lines. We will finish the week by adding three-digit money amounts.

Spanish

Our new Spanish unit focuses on Spring by studying plant and flower parts! Great timing as we are starting to see the flowers bloom very soon.

Social Studies

The students are really excited to take a dive into the past to learn about Colonial times! We will begin studying the colonies and start with colonial clothes.

Teacher Tip!

Thank you to all of our families for your diligence, support, and care as we navigate through this school year. We are excited to begin the 4th quarter as we continue to have fun, work together, and prepare for the next step...Third Grade! :)
