

2nd Grade: Mrs. Watkins and Mrs. Thomas

March 4, 2022

***THANK YOU** to all who donated, shopped, and danced the night away at our auction last weekend! We reached (exceeded) our goal!! Your partnership is a huge factor in the success of our school, and it shows in the ways you support Messiah and the education of your kids!

***PTO Color Fun Run** ~ Join us Saturday, April 9th 9-11am for a one mile color fun run at Messiah. Registration is now open! Event includes race, bubble bus and snacks.

Religion

We have a few more parables to cover that teach us that Jesus never gives up on us, even when we are lost. We will end our time together before break by talking about Mary washing Jesus' feet.

Reading/Language

Our next group of stories connects us to the past through art. We will be focusing on summarizing and sequencing, as well as the suffixes -y, -ly, and -ful. We will also work with the -tion and -ture chunks in words. In Language we will be using irregular verbs such as have, had, has, do, does, and did. Each week, please take time at home to read the weekly selection with your child from his or her reading anthology. I am so pleased with the expression used as they read aloud!

Science

This week we wrapped up our study of mapping the Earth. We will review early next week and take our unit test on Friday!

Memory Work

The wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord. Romans 6:23

Spelling

helpful, sadly, hopeful, thankful, slowly, wishful, kindly, useful, safely, painful, mouthful, weakly

Math

We are continuing to work hard on our double digit subtraction with regrouping. This will take a bit of time to fully grasp the concept. We are also introducing the first of our multiplication problems. We started with $\times 0$ and $\times 10$ and we are using pictures to make connections. We are up to our -8 in subtraction wrap-ups. Have you been practicing facts at home?

Social Studies

We still have a bit of our Diversity Unit to finish up because of our ice/snow days. We will wrap up this unit before Spring Break!

Teacher Tip!

As we enter the season of Lent, consider what you can **ADD** to your spiritual walk as a family instead of what you might give up. Keep the focus on Jesus as we approach Holy Week by adding a family devotion time, beginning a new prayer habit, or committing to attend midweek Lenten services. Let this be a time to draw closer to God and closer to one another.
