

2nd Grade: Mrs. Watkins and Mrs. Thomas

April 30, 2021

***Thank you for all of the donations for the Oasis Food Pantry!** What a wonderful way to spread the love of God and live out this week's memory verse!

***We are excited about our upcoming Colonial Day!** The kids are learning a lot about life at the early stages of our country. We are also thanking God for the many modern conveniences we enjoy today! :)

***How are your Spring HomeTasks coming along?** We can't wait to hear your creative stories, or what you learned about the season of Spring!

Religion

We are continuing our talk of Paul and his ministry. We will get to the story about how he believes, as we work on a special project.

Reading/Language

We will be reading more traditional tales in our reading books. One of the stories is Stone Soup, a classic favorite! In our "free time" we will be preparing to present our own version of the *Stone Soup* play. It will be ready for recording and viewing the last week of school.

Science

Next week we will begin our final unit in Science - Animal Habitats. We will research 3 different habitats and create a pop-up book to show what we have learned!

Spelling

aim, snail, bay, braid, ray, always, gain, sly, chain, shy, bright, fright

Memory Work

I lift up my eyes to the hills - where does my help come from? My help comes from the Lord, the maker of Heaven and Earth.
Psalm 121:1-2

Math

Next week we will work on making change for \$1.00, dividing by two and finding the area of rectangles. Keep practicing the x4 facts!

Spanish

We will finish up our unit next week and collect our folders to get ready for Spanish BINGO.

Social Studies

Our historical studies will take us back to past presidents and the monuments that were built to honor them. We will also talk about special holidays.

Teacher Tip!

We're not quite to summer yet, but now is a great time to start planning for it! Included here is a link for a wonderful reading program provided by Lindenwood University. We also would love for you to consider Messiah's Day Camp. It's a great way for the kids to see some of their friends while running, playing, and staying connected to God's word!
