*Remember - **NO SCHOOL next Friday, March 5!** Enjoy the planned day off! :)

Religion

Jesus teaches us many lessons in the New Testament. We will learn about the widow's mite and how to be a good stewardship of what God has given us. We will also learn about how Jesus taught us about prayer.

Reading/Language

Our stories next week are about fun and travel. This should get us excited and ready for Spring Break in a few weeks! We will focus on homophones, base words + er and est, and more adjectives! Our cursive is really coming along! Keep working on it at home whenever possible!

Science

We will wrap up this unit with review early in the week, and then take the test on Wednesday!

Spelling

meet, meat, week, weak, mane, main, tail, tale, be, bee, too, two

Memory Work

1 Corinthians 15:22

As in Adam all die, so in Christ all will be made alive.

Math

We will be working with finding half of even sets, then progressing into finding half of an odd set (with a remainder). We will also work on estimating a sum and measuring in feet and inches.

Social Studies

We will be finishing up our unit by doing some of the textbook review pages and playing some "end of the unit" games to refresh our memory!

Teacher Tip!

We are in the church season of Lent, the 40 days before Easter. It is a time to reflect on our sins, and thank Jesus for His sacrifice so our sins can be forgiven. While we won't have in-person services on Wednesday evenings this year here at Messiah, we are offering virtual family messages at 6:30pm each Wednesday. Consider tuning in to the Messiah Church youtube site!
