

2nd Grade: Mrs. Watkins and Mrs. Thomas

March 26, 2021

*We are so close to our long-awaited Spring Break! Remember - **next week is a short week, ending with a half-day free dress day on Thursday! We will dismiss at 11:30!**

*We will have chapel next week on **Maundy Thursday at 8:45am**. Tune in to hear the message!

*Have you thought about where you will worship this **Holy Week and Easter Sunday**? Please RSVP online if you will be attending any of Messiah's services. Or watch online! :)

Religion

Next week is an important week in the church year. We will go from the celebrations of Palm Sunday into the days of Jesus' death, then His resurrection!

Reading/Language

What fun we had creating our plant diagrams and learning about the plant life cycle! Next week we will work outside of our reading books and focus on Holy Week through Bible readings and making our own booklets. In language we will work on an in-class writing assignment!

Science

Our discussions next week will move on to slow land changes including weathering, erosion, and deposition.

Spelling

No spelling! :)

Memory Work

Jesus said, "I am the way and the truth and the life. No one comes to the Father except through me."

John 14:6

Math

We will continue working with fractions and mixed numbers. We will also make another bar graph...this time with a scale of 2! Students will learn how to check angles to find a right angle.

Social Studies

The students are really loving our historical travels. We are learning so much about how things were done in the past. Next week we will continue our journey.

Teacher Tip!

We are entering Holy Week this Sunday, beginning with Palm Sunday. This is the week we contemplate the path Jesus took to the cross and the empty tomb. Messiah has services in person and online on Maundy Thursday, Good Friday, and of course Easter Sunday! Check out the church's website for times!
