

Mrs. Koenig

October 28, 2021

Fall is here! With fall comes cooler weather. The children love playing outside. We also continue to eat lunch outside on a regular basis. Please be sure to check the weather forecast for each day and send the proper outer clothing!

Religion

As a child, Martin Luther feared God. As a young man he received his first Bible and was able to learn the truth about God - that God is a loving God who sent Jesus to be our Savior. Martin Luther wanted everyone to know the truth and shared this message when he nailed the 95 Theses to the church door in Wittenberg on October 31st. We, too, need to share the message of salvation with others!

Memory Work

Next week's assignment is Luke 11:9.

Math

Whenever 0 is added to a number, the answer is the other number - $9+0=9$; $0+9=9$. Continue to practice the flashcards at home.

Pumpkin Fun

This week we took a look at the parts of a pumpkin and the "job" of each part. We enjoyed pumpkin muffins made from the meat of the pumpkin. We reviewed our sight words by playing Pumpkin-O. We also used special activities to review math facts, sharpen our listening skills, and use our reading skills.

Reading

In Lesson 9 we are sounding out words with "s" blends. **Antonyms** are words that have opposite meanings such as *hot* and *cold*. The **test** for Lesson 9 will be on **Friday**.

Spanish

This week we added the following body parts to our vocabulary - **la cara** - face and **las manos** - hands. **Me levanto** means *I get up*. **Me lavo las cara y los manos** means *I wash my face and hands*.

Character Role

Play Reports

These fun reports begin next week. Amelia Bedlia stopped by on Wednesday to tell us about her first day on the job with Mr. and Mrs. Rogers.

Congratulations

Goal for the Goal - Lane, River, Liam, and London.

Pizza Hut - L

iam, Grady., and Gregory.

Hope to see you at worship and then at the Block Party this weekend!
