

Mrs. Koenig

April 14, 2022

Have a very blessed Easter! I am praying for safety for those traveling to spend Easter with family and friends. Remember to worship our risen Savior!

Religion

Jesus, our Savior, is truly risen from the dead. Alleluia!

Memory Work

Next week's assignment is your child's speaking part for our chapel service.

Grammar

We have finished our unit covering adjectives. We completed the unit review in class on Tuesday. The **test** for Unit 4 will be on **Thursday, April 21st**. In Unit 5 we will be taking a look at proper nouns and pronouns.

Science

We have completed our unit covering light. The **test** will be on Wednesday, April 20th. You can use pages 68-71 in the science book and the booklet that your child brought home to help him/her study.

Honesty

Don't forget to complete the paper about honesty and return it on or before Friday, April 22nd.

Reading

In Lesson 24 we learned that the vowel digraph "oo" can also say the sound heard in **moon**. "Ew" and "ou" also say that sound as in **new** and **you**. Words like **bat** can have more than one meaning. The **test** for Lesson 24 will be on **Thursday, April 21st**. In Lesson 25 we will sound out words with /ou/ and /ow/ as in **round** and **brown**; /oi/ and /oy/ as in **boil** and **boy**; and /au/ and /aw/ as in **haul** and **draw**. We will continue to look at contractions and synonyms. The **test** for Lesson 25 will be on **Friday, April 29th**.

Math

We identified $\frac{1}{2}$, $\frac{1}{3}$, and $\frac{1}{4}$ of an object. We also learned the comparison symbols **> greater than** and **< less than**.

Spanish

Mealtime and when you are at the grocery store would be good times to review the names of foods in Spanish.

Social Studies

In Unit 4 we will learn about schools, communities, and transportation now and long ago.
