

Mrs. Carol Koenig

September 3, 2021

We now have two full weeks “under our belt!” If you can arrive close to 8:10 a.m. it will help your child and me. It will give your child a chance to hand in homework, say memory work, trade in books from our “library” and generally get ready for the day. It also gives me a chance to go over things with your child. It will help get our days off to a good start!

Religion

No physical illness or disability is too severe for Jesus to heal. We can take all our physical needs to Him.

Memory Work

Next week’s assignment is Proverbs 3:5.

Math

We used linking cube trains to practice the terms **first, last, between, middle, and first, second, third**. The children enjoyed acting out **some, some more** (addition) and **some, some went away** (subtraction) stories.

Grammar

We are working hard to identify the naming part and the telling part of a sentence.

Spanish

This week Senora Cano asked **Con quien vives?** which means *Who do you live with?* The family members that we learned this week are - **la madre/la mama** - mother, **el padre/el papa** - father, **la hermana** - sister, and **el hermano**.

Reading

In Lesson 3 we will be reviewing the short sound of /o/ as in **hot**. The **test** for Lesson 3 will not be until **Tuesday, September 14th**.

Spelling

Since next week is a short week due to Labor Day, we will have our spelling **test** on **Friday** rather than Thursday. When choosing extra spelling words, you may choose words from **previous** units. If your child would like to learn some words that are not listed in the purple folder, you may write the word or words on the two empty lines for the unit. In addition to marking the bonus words in the spelling folder, **please write these words on the pretest that you return to school**.

Science

A **rain gauge** tells us how much rain has fallen. We placed a rain gauge outside and discovered that $\frac{1}{2}$ inch of rain fell on Tuesday afternoon and evening!

Social Studies

Since Monday is **Labor Day** we took a look at the history of this day and why we celebrate it.

continued...

Memory Book Fee

Listed on the 1st Grade Supply List is a \$7 Memory Book Fee to cover the cost of photo processing for the First Grade Memory Book that the children receive at the end of the school year. This fee was billed through FACTS this week. Thank you!

Book Reports

Our Show and Tell book reports start on Tuesday. Please check the schedule for your child's assigned date. The children must show the pictures and tell what is happening in each one. They **may not** read the book. It should be a funny book. I did a sample report for the children on Friday.

*Sounds like we'll have some beautiful weather later in the weekend.
Hopefully you'll have time to relax and do some fun things with your family during the long weekend. Don't forget to worship our loving God who keeps us safe in His love!*
