

Mrs. Shiroma

May 19th, 2023

Events Happening This Coming Week:

Wednesday: Movie and Popcorn in the afternoon

Thursday: May Madness in the afternoon and Last Day of School

Religion

This week we learned that God's Word, spoken through others, brings new life.

Math

In Math, we learned to add 2-digit numbers in real world situations. We also took our test over this unit.

Grammar

In Grammar, we learned that the words **he, she, it, and they** take the place of some naming words. We also learned that the words **his, her, its, and their** talk about things that belong to someone or something.

Chapel Offering

Spring is a time to shower some love! April and May chapel offerings will go to Shower of Love, which aids local nonprofits serving women, children, and caregivers. In addition to monetary donations, we are collecting new socks for children of all ages...a sock shower, if you will! Socks as a way to show our love? We're in!

Reading

This week we explored the question, "How can weather change your day?" We read the fantasy story titled **The Kite** in which best friends Frog and Toad have a hard time getting their kites to fly. We also explored the question, "How can insects be helpful?" We read a story about an unlikely pet in **Hi! Fly Guy**. In Phonics, we learned suffixes *-ful, -ly, -y*, long vowel spelling patterns *a, e, i, o, u*, and long i spelling patterns *igh, y, ie*.

Memory Work

Please check your child's folder to see what memory work they still need to say. I will be accepting past memory work through Wednesday of this coming week.

Homework

*Nightly Work includes a math worksheet, practicing spelling words, and reading a book or two (equivalent to 10-15 minutes).

Remember to worship this weekend as a family!

I hope to see you at the 9:00 service this Sunday!

Weekly Newsletter

MESSIAH
LUTHERAN SCHOOL

At Messiah Lutheran School we live to discover and share the love of Jesus Christ through a quality Christian education.

Sunday Worship Times
9:00am and 10:30am CST
