

Mrs. Koenig

February 12, 2021

What crazy weather we've had! I guess the groundhog was right when he saw his shadow - six more weeks of winter! One week down and five to go! :-)

Religion

We continued to talk about the blessings of families. God gives us families to love and help one another.

Memory Work

Next week's assignment is the Seventh Commandment.

Math

When adding two digit numbers - $22+34=56$, be sure that your child always adds the numbers in the ones column first. This will be very important when they begin the carrying process in 2nd grade.

Reading

In Lesson 18 and we will be working with the vowel digraphs "ai" and "ay" as in **train** and **play**. We will also be making contractions with *will* and *would* - *he'll* and *we'd*. The **test** for Lesson 18 will be on **Friday**.

Grammar

Adjectives are describing words. This week we looked at adjectives that tell how many.

Science

Objects that block all light are **opaque**. Those that block some light are **translucent**. Those that let all light through are **transparent**.

Social Studies

This week we took a look at some of our national holidays and heroes.

Spelling

The **test** for Unit 19 will be on **Tuesday**. There will not be a new spelling unit next week.

Pizza Hut

Congratulations to Mia, Hadley, Kate, Hudson, and Mallory who completed their 10 books for February!

Day 100

We enjoyed celebrating Day 100 last Friday. We used tally marks as we read the book **I'll Teach My Dog 100 Words**. We used a balance scale to compare the weight of each of the set of 100 items which the children brought. 100 Nerds were the lightest and 100 coins were the heaviest. We played Race to a Dollar, made a necklace with 100 beads, and wrote about how we would spend \$100.

Enjoy the long weekend! Sounds like we'll see more frigid wintry weather this weekend. Stay safe and warm in God's love!

Valentine Party

Even without exchanging valentines, we all had fun at our party this afternoon. We made a Valentine Hedgehog, iced heart shaped cookies, played Bingo, and listened to some valentine stories. I hope that you all have a fantastic Valentine's Day on Sunday!
