

1st Grade: Mrs. Koenig

October 16, 2020

It doesn't seem possible that today marks the end of the first quarter of the school year! Time has blown by! The children have made so much progress! Reports cards will be sent home next Friday.

Religion

God our heavenly Father listens when we pray and He answers all of the prayers of His children.

Memory Work

Next week's assignment is Genesis 1:31. The memory work sheet for the 2nd Quarter is in today's folder.

Math

We used pattern blocks to cover designs. We discovered that the designs could be covered in different ways by using different pattern blocks. When **1** is added to a number, the sum (answer) is the next number on the number line - $3+1=4$. We also wrote number sentences for **some**, **some went away** stories (subtraction) and counted backwards from 10.

Reading

"fI," "bl," "cl," "gl," and "pl: are consonant blends that are heard at the beginning of flag, black, class, glass, and plot. We will be sounding out words with these blends in Lesson 8. We will also be reviewing the short sound of /o/ as in frog. In short CV words like **go**, the vowel always says its long sound. When the letter "y" is at the end of a word, it is a vowel. "Y" borrows the long sounds of /i/ as in sky. The test for Lesson 8 will be on Friday!

Grammar

In Unit 2 we will be learning about **nouns**.

Spanish

We will have a **test** on **Tuesday** over Unit 1 - Donde Vives? There will be three pictures in a row. I will read a word or phrase and the children will mark the correct picture.

Social Studies

We will have the Unit 1 test on **Monday**. You can use pages 45-47 in the social studies book to help your child study for this test

Science

We will be taking a look at the four seasons.

Delta Dental

Since we cannot go on field trips we are trying to bring some virtual field trips to our classroom. On Tuesday we saw a presentation on proper tooth care presented by Delta Dental. The children also received a toothbrush, toothpaste, and floss courtesy of Delta Dental.

Operation Christmas Child

There is information about Operation Christmas Child in today's folder. Please pack a shoebox and share the love of Jesus with others!

Pizza Hut

Congratulations to the following students who completed their 10 books and received their certificates this week - Aaditya, Charlie, Isabelle, Austin, Vivi, William, Kate, Anderson, and Mia.

Go for the Goal

Congratulations to the following students who completed their 20 goals this week - Isabella, Austin, Vivi, and Hadley! The first graders have read over 300 books!

*Have a great fall weekend!
Remember to worship our loving God who listens to and answers all of
our prayers!*
