

1st Grade: Mrs. Koenig

October 23, 2020

Religion

God created everything. His creation was very good. People are the most special part of God's creation. Each of us is very important to Him.

Memory Work

Next week's assignment is Ephesians 2: 8 and 9.

Math

We used linking cubes to measure our folders and reading books. After sorting pattern blocks we made a graph to show how many of each block we had. We used the graph to make comparisons - most, least, etc. Be sure to use the flashcards to work on the doubles and plus 1 facts at home.

Reading

We are taking a break from our reading book next week to do some fall reading activities.

Spelling

There will be no spelling unit next week. There will not be a test on Thursday.

Science

Fall brings cooler weather, beautiful colored leaves, falling leaves, and shorter days. We're keeping track of the sunrise and sunset times each day to see how much sunlight we lose each day. This week we lost seven minutes of sunlight. Winter brings COLD weather and hibernating animals. The first day of winter is the shortest day of the year.

Spanish

We began learning the names for the parts of our body - **la cabeza** - head; **el cabello** - hair; **los ojos** - eyes; **la nariz** - nose; **la boca** - mouth.

Social Studies

People live in many different places. Where people live affects the way they live.

Grammar

We identified nouns for people and places this week.

Character Role Play

Information for the Character Role Play book reports was sent home on Tuesday. I will do a demonstration for the children next week.

Operation Christmas Child

Please pack a shoebox and share the love of Jesus with others!

Pizza Hut

Congratulations to the following students who completed their 10 books and received their certificates this week - Grayson, Lucas, and Nora!

Go for the Goal

Congratulations to the following students who completed their 20 goals this week - Aaditya, Anderson, Charlie, Eli, Grayson, Hudson, and Lucas.

*Have a wonderful weekend! Enjoy the beautiful colors!
Remember to worship our loving God who created a wonderful world
for us!*
