

## Mrs. Bohn's Classroom

April 30, 2021

“Rejoice in the Lord always. I will say it again: Rejoice!” -Phillipians 4:4

We are full of JOY in preschool. The children enter the classroom each day abounding with joy and are eager to greet their friends with smiles and hugs. Everything the preschoolers do, they do with joy and enthusiasm.

You should really see our dance moves as we sing! It fills me with joy to see their happiness and kindness radiate to others. You cannot help but to smile when you come into our classroom!

## Jesus Time

This week we learned about Jesus returning to heaven. We talked about how amazing it would have been to see Jesus ascend into the clouds. Can you imagine if Mrs. Bohn lifted off at recess? We learned that someday Jesus will come back and how He is preparing a room for us in heaven. Heaven will be so amazing! I personally hope there will be a giant ice cream sundae bar. Until then, we can tell others about Jesus and share His love!

Next week, we will learn the story of the first Pentecost. Jesus sent the Holy Spirit to be a helper.

## Project Theme

We had a fly-tastic week as we continued our insect study. God sure made some interesting creatures for us to learn about and enjoy. The children have been enjoying playing in our new Bee Farm center as they harvest and sell honey. We loved acting like bees too! We played number games with Charlie Caterpillar and fed him crunchy numbers to eat and even did a butterfly science experiment! We learned some new words too like: chrysalis, metamorphosis, and arachnid!

Next week, it's gonna be May (any other NSYNC fans) and we will be beginning an underwater unit as we learn about the beach and ocean animals! I am so excited to start this unit and think the children will be too!

Looking Ahead:

## Overheard in the Classroom

“Jesus will be there! Jesus will be there with presents waiting for us! I can’t wait!” - student talking about heaven

“In heaven, I will play outside for HOURS!”

Student: “I am going to Florida after soccer practice and after I change my underwear.”

Me: “So it goes: wake up, play soccer, go home and change, and then go to Florida?”

Student (laughing): “No, I will change my underwear in the car.”

Me: “That makes sense, you can’t have sweaty underwear on the airplane. That would not be comfy.”

Student: “Yup!”

“I just love this little bug! He is just SO cute!”

“That bee didn’t have a stinger so it must be a boy!”

Thank you for entrusting your child to us. School is a partnership between parents and teachers so please contact me with any questions, concerns, or even a funny story! I love to hear from you!
