

Mrs. Bohn's Classroom

August 28 , 2020

Give yourself a pat on the back and your child a big hug, we finished our first full week of preschool! It was a busy and fun week in the classroom as we continued to make friends and learn the routine at school. I have so enjoyed getting to know your child and celebrating their unique personality. I have especially enjoyed watching friendships form between the children and hearing such kind and helpful words. This is a class full of helpers and it is so sweet to see the friends help each other. Thank you for sharing such caring children with me!

Jesus Time

This week we learned God made the world and us! God made us special and He loves us so much! Did you know that only God is powerful enough to make the world? Mrs. Bohn or Captain American can't do that! God made it all and it is good! We also learned that we can talk to God through prayer. God doesn't need a phone or texting because He hears us ALL this time and wants us to talk to him! Next week, we will continue to talk about how God created a beautiful world for us.

Project Theme

Colors, colors, everywhere! This week we learned about red, blue, and yellow! The children shared that God made red cherries, strawberries, and birds. God made blue skies, berries, and whales. God made yellow flowers and bananas. After listing these items and looking at sunflowers we decided that God is a marvelous artist! We practiced using just a little bit of glue and learned the "stick test" to make sure our pieces stayed on. The children LOVED painting this week and I am excited to paint more very soon!

Next week, we will continue to explore colors and learn about green and orange. I love the "magic" of mixing colors so I am greatly looking forward to some color mixing fun!

Food, food, food! Thank you God for food! (point to plate)

Friends, friends, friends! Thank you God for friends! (point to friends)

Amen!

Overheard in the Classroom

"Hey mama duck!" - my new favorite name that a preschooler has referred to me by.

"You don't need to cry in preschool. It's fun!"

"An elephant probably sat on that...." referring to a flat playground ball
