

Mrs. Bohn's Class

February 5, 2021

You may have heard it said, "It's the journey not the destination." In preschool, we call this the process and not the product. Making open-ended art is one of my most favorite things to do. This week, we painted with plungers! It was a crowd favorite and a great sensory experience. We used our strong muscles to press the plunger down on paper and loved hearing the "splat" sound. It was a real surprise when the plungers would suction to the paper! We also painted by scraping cardboard pieces through paint to make an arctic sky! I am so proud of your little artists and I look forward to making more masterpieces.

Jesus Time

This week, we learned about Jesus calling His disciples and becoming "fishers of men." We discussed what it means to be a disciple and how we can be disciples too by following Jesus and showing God's love to others. When you know about Jesus' great big love for you and the good news of salvation, you want to tell everyone!

Next week, we will begin to learn the many miracles Jesus performed as we hear the story of Jesus healing the paralyzed man. We will focus on how with God anything is possible!

Project Theme

We have a blast learning about animals that live in the arctic and antarctica. We learned a big word called "camouflage" and we learned to use the Smartboard in an arctic animal game! We enjoyed acting out animal movements and doing the Penguin Dance. I was very impressed by some of the fine motor skills I saw this week with a lot of cutting and tearing paper. We also had a blast rescuing arctic animals from ice!

Next week, we will focus on love, friendship, and Valentine's Day! Out of an abundance of caution, the decision was made not to allow Valentine cards and candy from home to be passed out this school year. We will be doing lots of fun Valentine activities in the classroom to celebrate the holiday. Thank you for your understanding in keeping everyone safe and healthy.

Auction

Have you signed up to attend Messiah's annual fundraising auction? This year's event is scheduled for Friday, February 26th. This is our biggest fundraiser of the year and we would love to share this virtual experience with you! There will be some great items to bid on, so you won't want to miss out. You can find the link to sign up in the school-wide email that was sent on Tuesday (just click on the auction graphic).

Class Composites

Class Composites are now available to order! Get yours today at <https://inter-state.com/> Use Order Code 56461DQ. These are available until 02/17/2021 at 11:59 pm.

Weekly Newsletter

MESSIAH
LUTHERAN SCHOOL

Looking Ahead

- Monday, February 15 - NO SCHOOL , Presidents' Day

Reminders

- Please have your child use the restroom before arriving at preschool.
- We try to go outside for recess if possible. Please send your child to school with a warm coat and preferably mittens. Thank you!

Overheard in the Classroom

"This is my FAVORITE song! I just love it with my whole body." (when listening to *Jesus Love Me*)

"Umm, Mrs. Bohn, are you learning about plumbin' today?" (when seeing the plungers for painting)

"My mommy and daddy make my lunch together. It's extra good like that."

"My mom's name is Babe. That is what daddy calls her."

"Penguins are SO cute!" spoken with so much conviction

Thank you for entrusting your child to us. School is a partnership between parents and teachers so please contact me with any questions, concerns, or even a funny story! I love to hear from you!

Sunday Worship Times:
9:00am and 10:30am CST

At Messiah Lutheran School we live to discover and share the love of Jesus Christ through a quality Christian education.
