

Mrs. Bohn's Classroom

March 19, 2021

Rain, rain, go away! We made it through a rather gloomy week of weather, but also counted the blessings that God gives to us when it rains. It is easy to only see just the rain and gloom in front of us; and we often forget that a rainbow is waiting for us on the other side of the storm. God gives us so many rainbows and sometimes we just have to be willing to see them! Rainbows in preschool look like sharing a toy that you really love, apologizing to a friend when it is hard, or sticking with something hard for a beautiful outcome. Each one of the preschoolers are a little rainbow to me, a reminder of the goodness of God.

Jesus Time

Jesus loves us no matter what and wants to be our friend forever, This week we learned about Zacchaeus. Zacchaeus did not have many friends, but Jesus wanted to be his friend and showed him love. Zachhaeous wanted to see Jesus so badly that he climbed a tall tree so he could just have a glimpse of him! Wouldn't it be so exciting to see Jesus?!? Jesus wanted to go to Zachhaeous' house, which really surprised the preschoolers. Why would Jesus want to go to his house, afterall, he wasn't a very nice friend. We talked about how Jesus loves everyone and how He loves us all the time. He loves us when we have sunny days, rainy days, grumpy days, or happy days. He even loves us if we make a mistake. Jesus' love for us is amazing and never ending!

Next week, we began to learn the story of Easter starting with Jesus' triumphal entry into Jerusalem.

Project Theme

Who is small, fast, and loves to play silly jokes on us? This week we had some St. Patrick's Day fun with our favorite leprechaun, Silly McGilly! Silly McGilly left us some special snacks, made us into leprechauns, gave us silly names, and even popped up on our Smartboard! Silly McGilly also left us a shamrock and gold trail which led to a pot of gold! We also learned about rainbows and created our own rainbow using teamwork. It was a very magical week!

Next week, we will be focusing on Easter. We will learn the story of Easter and also have some fun with bunnies, eggs, and chicks.
