

## Mrs. Bohn's Classroom

March 5, 2021

Can you believe that it is March already? This year has absolutely flown by! I am so proud of your child and how much they have grown this year. This week, I had a "wow moment" as I watched a group of children comfort a child who was frustrated and worked through a problem all by themselves. I observed from a close distance and was overjoyed to watch as the children used kind words and teamwork to problem solve. It was truly amazing and one of the moments I live for as both a teacher and a parent.

### Jesus Time

This week, we learned about how God always provides for us. We learned the story of Jesus feeding a crowd of 5,000 with just two fish and five loaves of bread. What an amazing miracle that demonstrates both Jesus' compassion and His strength. What an amazing God we have!

Next week, we will learn the story of Jesus teaching his disciples how to pray. God loves when we talk to Him and He always listens to us!

### Project Theme

We had another magical week in preschool as we learned more Fairy Tale stories. The preschoolers know that Fairy Tales are make-believe stories that begin with "Once upon a time..." We had a blast making gravity paintings for Chicken Little, sorting by size for Goldilocks And The Three Bears, and pretending to be the Princess And The Pea. We completed our unit by having a royal feast, making crowns and wands, and by having a royal dance.

Next week, we will be focusing on the letters in our names and more directive instruction on name writing. Many of the preschoolers can recognize their first name and know their special letters. It has been such a joy to watch the preschoolers begin to write their letter or name on their projects. You can practice name writing at home too! Make it fun by using a variety of materials such as chalk, paint, or shaving cream!

Me: "You didn't feel the pea....you're a princess!"

Student: "Ummm, I am REAL princess!"
