

## Mrs. Bohn's Classroom

September 18th , 2020

Has your child come home yet saying that Mrs. Bohn had a tantrum in preschool or perhaps that Mrs. Bohn took toys away from Mrs. Halterman and Mrs. Andrews? If so, do not worry. I promise that I am a very happy teacher and that I do, in fact, know how to share. In preschool, your child is learning social skills like sharing, taking, turns, and using their words to get help. The other teachers and myself have been acting out common preschool scenarios (and the Oscar goes to...) and holding community meetings about how to appropriately handle different situations. If we would like a turn playing with a toy we have been practicing asking, "May I have that toy when you are done?" My favorite moment of the week is when a preschooler ran up to me and said, "I asked if I could have the toy when he was done. And now he's done and look....he gave it to ME!" It was such a sweet moment and it made my teacher heart very happy! Thank you for sharing such kind kiddos with me!

## Jesus Time

We learned the story of Noah this week and really enjoyed acting out the story with our friends. We loved dancing to "Rock the Boat" and waving our rainbow streamers. We know that God keeps us safe and that He always keeps His promises! God's promised to send us a savior and He did by sending His only son, Jesus!

Next week, We will learn about the birth of Isaac and continue to talk about God keeping His promises to us! We will be discussing that blessings are wonderful things that God gives to us. We are truly blessed each day!

## Project Theme

We had a very colorful week as we invented our own crayon colors, painted people posters, and made beautiful rainbows! The children were eager to talk about rainbows and share their rainbow sightings with the class. One thing is for certain, this group of preschoolers love to paint and are eager to make special projects!

Next week, we will learn about emotions. I will be pairing an art project with music to coincide with the emotion we will be learning. For example, when we learn about being happy we will finger paint with cheerful colors while listening to upbeat music and when we learn about being mad we will make torn paper art while listening to dramatic music. I am so excited to start this unit!

## Francis Howell School District Developmental Screens

Due to Covid-19, Francis Howell School District Developmental Screeners are not traveling to Messiah this year. We still encourage you to schedule a virtual or in-person screening for students who reside in the district. The screening provides valuable information for families as they observe the growth and development of their child. It is recommended once a year for all 3-5 year olds. To schedule, please call 636-851-6060. For more information, please see the attached documents below.

## Home Connection

In your child's folder is a copy of Humpty Dumpty for you to practice at home with your child. We have been reciting Humpty Dumpty each day in class and I know your child would be thrilled to say it with you and teach the actions. We have also been singing this [song](#) in class if you would like to share it with your child at home too! Reciting nursery rhymes will help your child develop an ear for language such as hearing rhyme and rhythm. Listening to nursery rhymes also strengthens a child's ability to hear the sounds in words and introduces new vocabulary. Besides, building pre-reading skills, nursery rhymes are fun and enjoyable to kids!

## Absences

If your child is absent from school please notify me on Brightwheel as well as the school office at [school@mllions.org](mailto:school@mllions.org). Thank you!

## Book Orders

Book orders are due today, September 18th, and will place them on Saturday. You can order online at <https://clubs.scholastic.com> and enter our classroom code. Our classroom code is W2GW7. Happy reading!

## Overheard in the Classroom

“Mrs. Bohn, you need to see my Gaga at the salon!” - I am not sure if I should be offended by this haha

Me: “I brought a monkey lunch today” holding up a banana

Student: “Will you be a monkey next?”

(need instant entertainment at home, pretend someone is calling you on your banana phone...)

“Oh no! We got a waterslide over here!!! Bring the towels!” -observing the wet slide

Some of our Mystery Box guesses this week included : Captain America, Hulk, a tiger, a shark, a t-rex, my mom, Mr. Price, snakes, spiders, a cat, and a car. I can only wish my mystery box items were that thrilling!

Thank you for entrusting your child to us. School is a partnership between parents and teachers so please contact me with any questions, concerns, or even a funny story! I love to hear from you!

Sunday Worship Times:  
9:00am and 10:45am CST

At Messiah Lutheran School we live to discover and share the love of Jesus Christ through a quality Christian education.
