

Mrs. Kelly

August 20 , 2021

What a wonderful week of Preschool! The students are getting familiar with our routines and are getting to know each other. They seem to be loving school and have learned so many things! We have really enjoyed getting to know them!

Jesus Time

When was the last time you took the time to really look at everything God made? Take a moment to take a walk outside to experience God's creation with your preschooler. When we take the time to look at the amazing world that God made, we are filled with awe and excitement. It's that feeling of wonder we want our preschoolers to have as they learn about God's creation. We are going to do a lot of counting together next week—one, two, three, four, five, six, seven—pausing to learn what God made on each day of creation. Through our fun and exciting stories and songs, we want our preschoolers to learn that God made everything, and IT IS GOOD!

Project Theme

As you can see from the pictures in Brightwheel from our week, your children LOVE learning! We have been practicing how to do so many things. We've worked on following directions, using our words, learning names of new friends, and that school is fun! Next week, we'll talk more about making friends and getting to know our classmates.

Important Dates

August 23: Picture Day

September 6th: No School Labor Day

Reminders

- Label all items including lunch boxes, nap items, and jackets.
- Please check your child into Brightwheel each morning. For regular after school pick-up, we'll check them out. If you use Extended Care, please sign them out there as well. If you are having any issues with the app, please don't hesitate to ask for assistance. Thank you so much!

Picture Day

Picture Day is Monday, August 23. [Pictures can be ordered online.](#)

Thank you for entrusting your child to us. School is a partnership between parents and teachers so please contact me with any questions, concerns, or even a funny story! I love to hear from you!

In Christ,
Mrs. Kelly
