

Mrs. Kelly's Preschool Class

January 21, 2022

Jesus Time

This week we learned about when Jesus was baptized. Jesus never did anything wrong. Jesus didn't have any sins to wash away. But Jesus wanted to do all things the right way. He wanted to show us how to live as children of God. Ask your child to tell you about the very important thing that happened when John baptized Jesus.

Next week, we will continue to learn about baptism and go into the sanctuary to see the baptismal font. We'll also talk about how birthdays are special but we also have a special Baptism birthday to celebrate! Baptism is a special way Jesus gives gifts of faith and forgiveness, not wrapped in paper and bows, but in water and His Word. If you would like to learn more about Baptism, you can visit Messiah's website at <https://messiahstcharles.org/get-baptized>

Theme Unit

Our class loves to learn about animals and this week we were excited to learn about polar animals! We learned that the habitat that these animals live in is a tundra! We loved singing the polar bear song and doing the bear walk around the room. They made very funny expressions when I asked if they wanted to live in the snow all the time and walk on ice. We decided that God did not make our feet to do that. We learned about many other polar animals in this short unit.

Letter of the Week: li

Project Theme: Hibernation

Since the winter season is upon us, next week will be all about hibernation! We'll introduce that BIG word and see how many know what it means. We'll come up with questions to explore such as - Do all animals hibernate? What does hibernation look like? How long does hibernation last? Many stories, songs, activities, and art projects will be centered around our theme of bears and hibernation.

Upcoming Dates

National Lutheran Schools Week- Dress Up Days

- Monday, January 24 - Country Western
- Wednesday, January 26 - Crazy Dress
