

**Mrs. Kelly**

August 28 , 2021

Your children are so kind and loving, I have seen them comfort a friend who was sad. I've also witnessed them include someone who needed a friend to play. I love seeing how their friendships spark. They've also been using their imagination by playing school and dinosaurs on the playground. We've been learning our names by singing some silly songs:  
"Mr. Owl WHOOO is at school?", and "Shakey, Shakey."

## Jesus Time

The children certainly know their numbers. In preschool, we've been learning about all the awesome things that God made on days one through six! This week we'll hear about the MOST amazing thing God created. God made people!

## Project Theme

Art is an expressive and aesthetic activity and is a theme that children always enjoy. This week we'll be talking a lot about crayons and reading books that help us to imagine all the worlds and pictures we can create with this simple tool. We will be investigating all the ways that school is fun by exploring different types of art tools and supplies. Some of the artistic experiences planned include:

- creating murals as a class
- listening to a variety of stories about art
- participating in a wide variety of art activities
- discussing art as a way to express feelings

## Important Dates

September 6th: No School Labor Day

## Reminders

- Label all items including lunch boxes, nap items, and jackets.
- Please check your child into Brightwheel each morning. For regular after school pick-up, we'll check them out. If you use Extended Care, please sign them out there as well. If you are having any issues with the app, please don't hesitate to ask for assistance. Thank you so much!
