

## Mrs. Kelly's Preschool Class

January 9, 2022

I know the kids must have been so excited to get back into the swing of things this week and return to our regular routine. I definitely miss seeing the children's smiling faces each day. I count them as a huge blessing in my life. It has been a joy to work with such wonderful families. Thank You!

### Jesus Time

The children learned about Epiphany and the visit of the Wise Men who brought gifts to Jesus. We learned that although some of the gifts we received at Christmas might break, the love of Jesus will always be with us! This week our story will be Jesus in the Temple. I think this is such a special time for the kids to start to learn about Jesus' time on earth as we have been awaiting His birth all school year!

### Theme Unit

With the weather temperatures we have had, it will be a great way to remember what cold means as we continue our study of all things WINTER...brrrrrr! We'll continue to talk about all of the changes that God makes in this season and review shapes while learning about snowmen. We know that ice and snow are frozen water. Ask your child to share with you the Chubby Little Snowman Fingerplay. They love it Our winter focus for this week will be SNOW. I am getting chills just thinking about it!
