

Mrs. Kelly's Preschool Plus Class

May 6, 2022

For the last two weeks the children have been telling us about their moms and working on special projects. We love our moms and are thankful that God gave us these special people who care for us. The kids have been working on a very special card and picture for their mom.

Jesus Time

The Good Shepherd

Story Focus: Jesus watches over us and takes care of us. Like a good shepherd watches over his flock and takes care of the sheep, Jesus is our Good Shepherd who watches over and takes care of us.

Project Theme

Letter; Q and U Continued

This week we began preparations for when Mr. Q and Miss U get married in Alphabet Land. We held a bridal shower with a special snack, and game. We also created a quilt for them that we painted with Q-tips. Next week, we'll watch them marry and talk about the rule that when you write the letter q, you always write the letter u.

Project Theme: Bugs and Insects

Next week we will continue to learn about insects and bugs. We'll create insect patterns and our very own Click Beetle. Based on Eric Carle's story The Very Clumsy Click Beetle.

Looking Ahead

May 9 - "Big Kid" Chapel at 8:40

May 23 - Last Day of Preschool Plus and Block Party at 6:30 PM The Block Party is for our early childhood students and their families. The Bubble Bus is coming and it will be a fun event!

Summer Birthdays

We love to celebrate birthdays. If your child has a birthday in the summer and you want to send in treats, please message or email me to let me know. As a reminder, birthday treats should be simple, small, and peanut-free. We are excited to celebrate all month long!

Thank you!

Thank you so much to the children and all of you for all of the kindness and love that they showed us during Teacher Appreciation Week! This is such a kind and sweet class and we are so thankful for them and the love they share with us each day!
