

## Middle School

November 6th, 2020

It's time to start collecting for our Class Auction Baskets! This year, 6th grade's theme is **Camping/Outdoor Fun** and 7th/8th grade will combine with the theme **St. Louis Sports**. Donations can be brought to the school office starting next week. If you're not sure what to donate, we have an Amazon wishlist to help! Mrs. Van Hook will be emailing you the link and all of the details!

### Classroom Auction Basket

Thank you to those who have donated to our classroom auction basket! We will be collecting for a few more weeks, so if you would please consider adding an item this is a great way to help our school. If you're not sure what to get, take a look at our Amazon wishlist. You can even have items shipped directly to Messiah! Thanks!

## 6th Grade

### Math

Math Test 7 on Friday, Nov 13th.

### Reading

Sixth graders need to select a realistic fiction book for their next book project. They need to choose a book by Wednesday, November 11th.

### World History

Next week the sixth graders will be learning ancient India.

### Writing

Next week we will be peer editing and then printing a final copy of the personal narrative.

## 7th Grade

### Math

Math Test 7 on November 13th.

### Reading

We started our lit circles this week and have had some interesting small group discussions. Each time a lit circle group meets, the students should have written a five - eight sentence response in Google Classroom AND completed the assigned job worksheet. The Book Creator project is due on Wednesday.

### United States History

The seventh graders will be learning about the Revolutionary War next week.

## 8th Grade

### Algebra

Chapter 4 Test Next week on Friday, November 13th.

### Reading

The 8th graders have been writing and sharing five sentence Reading Responses for their lit circle book. Dystopian novels are the best!

### Writing

The 8th graders have chosen a topic to research and then design an infographic about. We will also be reviewing and using the different types of sentences.

### Grammar

Verb tenses were the topic of the day. Next week we will learn the difference between sit and sat, lie and lay, etc. The fun never stops in Grammar class!

LUTHERAN SCHOOL

## 6th Grade

**Science:** We started exploring the mineral kits this week. Next week we will dig into them a little more and hope to all be able to identify 10 minerals on our own by the end of the week.

### Vocabulary

The sixth graders will be covering Lesson 5 next week.

### Spanish

The sixth graders are learning about travel in Spanish this week.

### Religion

In religion the sixth graders are learning about parables.

**Grammar:** We will start learning about compound predicates next week.

## 7th Grade

### Writing

We learned about Snapshots today and have been practicing how to improve our writing by using these short physical descriptions. Next week they will get an assignment to write a two-voice narrative similar to that of the book Flipped.

**Science:** We are learning about cell processes right now. This week we experimented with plastic bags, cornstarch and iodine. Next week we will experiment with eggs as well as carrots to learn more about these processes.

### Grammar/Bible Study

The 7th graders will have a review worksheet over pronouns on Tuesday and a short quiz on Wednesday. They have prepared a study guide that they may use to help on both those assignments.

## 8th Grade

**Science:** We will finish up our lesson on chemical equations with a quiz on Wednesday.

### US History

The eighth grade is learning about WWI.

### Vocab

Lesson 5 Test on Wednesday, Nov 11th

### Spanish

We will start lesson 7 on Monday.

### Religion

This week we looked at John the Baptist and the important role he had preparing people to see the Savior in Jesus.
