

Middle School

October 16th, 2020

6th Grade

Math

We have been working a lot with fractions and reducing. It wouldn't be a bad idea to review multiplication tables. The first test of the quarter will be Friday, Oct 23rd

Reading

We will finish reading Walk Two Moons. Test will be on Thursday.

World History

The sixth graders are learning about the Israelites.

Writing

Sixth Graders will start another personal narrative writing assignment. Lessons will word choice, voice, and creating scenes for the reader.

7th Grade

Math

As we start the second quarter the Math lessons start to get a little more difficult so please encourage your student to ask more questions and see me if they need help on the homework. The first test of the second quarter will be on Friday.

Reading

We are enjoying reading the novel A Long Walk to Water which is based in Sudan. We have been learning how to read Infographics about clean water. Just a reminder that the October WEB book is due on October 26.

United States History

The seventh graders will be learning about the colonists and their move toward independence.

8th Grade

Algebra

We are graphing lines like crazy. In Chapter 3 we talk a lot about graphing and the many ways to do it. We will also talk slope and distance and midpoint. We will have a quiz next week.

Reading

The Dystopian Lit Circles are going well. Today we had a Silent Discussion where each child wrote a questions on paper and the other people in the group wrote their responses to the question.

Writing

The students should make revisions to their Argument Essay by Monday.

Grammar

Today we entered the wonderful world of commas! We will start a short unit on Verbs next week.

Weekly Newsletter

MESSIAH
LUTHERAN SCHOOL

6th Grade

Science: We have finished our chapter on weather and will begin a new topic, Minerals, on Monday!

Vocabulary

The sixth graders will have a test over Lesson 3 on Tuesday.

Spanish

The sixth graders are learning about travel in Spanish this week.

Religion

In religion the sixth graders are learning about parables.

Grammar: We are learning about verb phrases. The verb phrase is also known as the simple predicate.

Sunday Worship Times:
9:00am and 10:45am CST

Sunday Worship Times:
9:00am and 10:45am CST

7th Grade

Writing

Our second Writing Trait is Word Choice, and so we have been doing numerous activities to improve our Word Choice. Due on Monday are the revisions for five of the sentences on the Adding Description worksheet.

Science: We started our new chapter on cells this week! We should have a quiz over the first lesson next week Wednesday or Thursday.

Grammar/Bible Study

We are still working on pronouns.

We are reading chapter five of The Story which is about the Passover and the children of Israel wandering in the desert.

At Messiah Lutheran School we live to discover and share the love of Jesus Christ through a quality Christian education.

At Messiah Lutheran School we live to discover and share the love of Jesus Christ through a quality Christian education.

8th Grade

Science: We have a string of labs involving chemical reactions that we will be doing over the next two weeks! We will still be taking short open-book quizzes after each lesson.

US History

The eighth grade is learning about the United States move toward becoming a world power.

Vocab

We will start Lesson 4 next week and Test on Thursday, Oct 22nd.

Spanish

We will start lesson 5 on Monday.

Religion

This week we talked a lot about Grace and how we should strive to be a Grace-Driven Christian.
