6th Grade

Science: We are learning the somewhat tricky concepts of dew point and humidity. We also did our first lab where we watched condensation form inside our beakers of hot water as a pie tin of cold ice water sat on top! Check your child's planner to keep up with daily work. We tend to have a short assignment each day and a short open book/open note quiz each week.

Vocabulary

The sixth graders took a practice test on Wednesday and will begin lesson 2 next week. .

Spanish

The sixth graders started a unit on instruments.

Religion

This week we continue talking about building a relationships their peers as well as God.

Grammar: We are now learning to identify the complete and simple subject of a sentence. Sometimes the complete subject is at the beginning of a sentence, but sometimes it is in the middle or at the end!

7th Grade
