

Pre-Kindergarten: Mrs. Schlie

February 15, 2024

The children will begin learning to memorize their address this week. They will have fun trying to figure out how they can live on a street, in a city, in a state, and in a country all at the same time! This will bring about a lot of interesting discussion! We have talked about our country, America. We will celebrate Presidents' Day on Monday, February 19, with no school.

Chapel Offerings

Our chapel offerings for February and March will go to Hearts and Hope for Uganda. This local nonprofit organization partners with a local Lutheran Church of Uganda to connect with local village communities who need assistance from fellow brothers and sisters in Christ. Your offerings will help to improve the lives of the people and communities in Uganda by providing clean and safe water, providing medical services, providing teacher development and education services, as well as aiding in economic development.

At Messiah Lutheran School
we live to discover and share
the love of Jesus Christ through
a quality Christian education.
