

Mrs. Knaak

February 15, 2024

Our chapel offerings for February and March will go to Hearts and Hope for Uganda. Your offerings will help to improve the lives of the people and communities in Uganda by providing clean and safe water, providing medical services, providing teacher development and education services, as well as aiding in economic development.

Math

This week in math we spent some time doing more division with decimal numbers. We will continue to practice these next week after the long week before moving on to solving story problems with multiplication and division.

Science

We talked about how we can be mindful when we use different materials in our everyday life. The 5th graders also discussed how overusing resources can affect all of Earth's spheres.

Social Studies

This week, we learned about the history of Australia and New Zealand. Next week, we will learn about what life is like for Australians today, and then we will have a test shortly after.

Reminders

- Next book project is due February 29th and it needs to be a "Humor" book.
- Tickets for the Messiah Auction are for sale!

Reading

This week, we finished reading *Holes*. It was fun to discuss the ending of the book, and how each student fills in the "holes" in the storyline. The next book we are going to read is *The Westing Game*.

Spelling

The spelling words for next week are: scene, they're, through, heir, clothes, byte, aloud, cruise, crews, isle, principal, principle, hour, knew, two, write, chute, reign

Religion

The memory for next week is: Part 1 of the Apostles' Creed:

"I believe in God, the Father Almighty, maker of heaven and earth. And in Jesus Christ, His only Son, our Lord, who was conceived by the Holy Spirit, born of the virgin Mary, suffered under Pontius Pilate, was crucified, died and was buried. He descended into hell. The third day He rose again from the dead. "

Grammar

This week, we had our final lessons for this unit. We focused on more differences between adjectives and adverbs. Next week, we will have our test over Unit 4!
