

Kindergarten: Mrs. Otis

September 22, 2023

We had a fun week learning about the lifecycle of an apple and made a lot of fun apple art projects! It was fun hearing lots of kids talk about their own experiences at apple orchards.

Homework

Please have your child complete the kindergarten homework this weekend and return it on Monday. Encourage your children to do their best work!

Poetry Notebook

Please help your child insert this week's poems and do a few of the activities listed on the yellow paper.

Book Fair

The Book Fair will be October 9-13. Volunteers are needed to help with checking out purchases from 3:00 - 4:00pm each day of the Fair. Contact Sara Godar if interested!
sgodar@mllions.org

Apple Week

Thank you for sending in apples for Apple Week next week! We greatly appreciate it!

This Week We...

- Practiced telling addition and subtraction story problems, described attributes of 2D shapes, practiced recognizing and extending patterns, and took our first math test over Unit 1.
- Learned the words "love" and "blue".
- Practiced the letter Mm for handwriting.
- Worked on recognizing and writing the first sounds in words.
- Practiced recognizing rhyming words.
- Discussed the story of Jacob and Esau and how God has plans for things to work out for good. We know God loves us and is with us wherever we go. God talks to us through His Word, the Bible.
- Talked about how we are one another's biggest fans! When we cheer on our classmates and friends, we are building them up. God always cheers us on and when we cheer for our friends and choose to be their number one fans, we are following God's example.
