**\*Remember ~ No School Friday, Feb. 16 or Monday, Feb. 19! Enjoy the long weekend!**

### Religion

We love learning about Jesus' miracles, including feeding the 5,000 and the healing of the ten lepers and blind man.

### Reading/Language

We are on to our next stories in our anthology readers next week, and our stories will focus on animal development. We will have fun learning about penguins as we practice picking out main ideas and details, as well as cause and effect. We will focus on words with ir, er, and ur, as well as adjectives..

### Spanish

We took our test today! We will start a new unit after our break.

### Spelling

**father, over, under, herd, water, verb, paper, cracker, offer, cover, germ, master**

### Memory Work

**The First Article of the Apostles' Creed:  
(Creation) I believe in God, the Father Almighty, Maker of heaven and earth.**

### Math

Our word problems are getting more complex. Sometimes we have to take multiple steps, taking notes along the way, to reach a final answer.

### Science

We will start Topic 5 Lesson 1 on Animal and Plant Life Cycles. Vocabulary to know: plant, animal, and life cycle

### Social Studies

We took our test on Tuesday. After our test we began our Black History Month Unit, beginning with Ruby Bridges and Rosa Parks.

### Teacher Tip!

As we enter the season of Lent, consider what you can ADD to your spiritual walk as a family instead of what you might give up. Keep the focus on Jesus as we approach Holy Week by adding a family devotion time, beginning a new prayer habit, or committing to attend midweek Lenten services. Let this be a time to draw closer to God and closer to one another.
